CALAMITY HOWLS AND BULL MOOSE DEFEATED DEMOS

progressives Fall for Same Old Line of Dope and Rush to G. O. P. Aid.

RICHMOND BEATS SMITH

Truxell Failed to Develop Expected Strength in Race for Sheriff-Repubs Win Easily.

The progressives, notwithstanding the visit of the immortal Teddy to this section, drifted back to the G. O. P. in Rock Island county at yesterday's election and yielded to the calamity howl about the present busisess depression being due to the polgies of the national administration, defeated the entire democratic coun-

ty ticket. In spite of the splendid campaign which was carried on by the best orratized and most aggressive county central committee in the history of the party here, the local nominees. lost. All that the democrats in this neck of the woods" succeeded in landing were the congressman, whose candidacy gave strength to the enthe ticket despite its defeat, and the minority representative in the general assembly.

Tavenner appears to have carried the county by a slight majority, and is any event has held his own, a remarkable feat when it is remembered he lost it two years ago by nearly 1310. It is the first time in the last 22 years a democratic congressman has been elected to succeed himself from this district or has even carried this county. This is surely a vote of approval of Mr. Tavenner's record in congress, as well as a tribute to his popularity

with the mass of the people. W. C. Mancker, legislative candidate, was also elected, which caused creat satisfaction to the democratic party and the work which he will do at Springfield is sure to justify the confidence which the people have reposed in him.

Richmond Wins.

The entire county ticket went down in defeat. The fight centered over the election of sheriff, George H. Richmond winning over C. J. Smith in one of the hardest fought contests which has been held here in recent years.

Richmond ran away from his opponent in Moline, where the "dope" was that Charles Truxell, progressive, would poil enough strength to give Smith a plurality. Richmond continsed the lead throughout the country precincts and in Rock Island.
